

Hoppin' into hearts and homes

Name: Jelly Bean

Vitals: 1-year-old Dutch mix

Status: Single and looking for a home

Interests: Playing in my Cottontail Cottage

What makes me special: It doesn't take much to make me happy. I am quiet and easy-going, and all I want is to find a loving home where I can belong.

Why I'd make great companion: I am a sweet girl, but I can be a little shy at times. I love to be petted and don't mind being held. I really enjoy playing in my Cottontail Cottage and would really like to be housed in an x-pen setup. I will do best in a quieter household and should do well with a gentle dog and cat.

Where you can find me: I am one of the featured bunnies available for adoption at the San Marcos Petco, 141 S. Las Posas Road
