

# Adoption Connection

Pets waiting for their  
perfect matches at the  
Escondido Humane Society

**Name:** Joe Joe

**Vitals:** 12-year-old male shepherd/Lab mix

**Status:** Single and looking for a home

**Interests:** Playing ball, exploring the world  
on long walks, being pampered

**My story:** I have been waiting for my new family to find me for more than a year now. I can't count how many people have passed me by in my time here. If only I could tell them what they are missing by not choosing me ...

**Why I'd make a great companion:** I am a very handsome older gentleman, but don't let my advanced years fool you! I am very young for my age and still love to be active. I am definitely an outdoor kind of guy. I love to take long walks, and I am very gentle on the leash. I love to be petted and pampered. Are you a gardener? I would happily settle down in the shade to supervise your work! Oh, and I would love it if you played ball with me ... I think it's the best game ever!

**Type of home I am looking for:** A family to love and appreciate my gentle ways.

**Where you can find me:**
