

Hoppin' into hearts and homes

Names: Zelda and Ziggy

Vitals: 1-year-old New Zealand mixes

Status: Single and looking for a home

Interests: Playing in our Cottontail Cottage

What makes us special: We are a brother/sister pair who were born into an Escondido Humane Society foster home. We are ready for a home of our own.

Why we'd make great companions: We love to snuggle and be petted. We are gentle, quiet bunnies. We are well-behaved and tidy, and we love to play in our Cottontail Cottage. We are accustomed to gentle dogs and cats and will do well in a kind, gentle family.

Where you can find us: We are currently living in foster care. If you would like to meet us, e-mail jmclaug@prodigy.net
